

IoTWeek

Dublin — June 20-23, 2022

“GLOBAL VISION: IoT TODAY AND BEYOND”

In a new post-COVID era, IoT is accelerating and facilitating new trends such as home working, new mobility challenges and the digitalization of the economy. It also becomes more necessary for redesigning the new global supply chain, fostering collaboration and generating new streams of revenue within the new Data Economy.

The IoT Week in Dublin 2022 invites you to discover its impact on Artificial Intelligence, blockchain, quantum computing, AR/VR, Robotics, and new digital innovations. Join us!

FOUR DAYS FOR ENVISIONING THE PRESENT AND THE FUTURE OF IoT

Take a look at what you can attend each day of the IoTWeek:

DAY #1

Monday,
June 20

- Inauguration of the Global Internet of Things Summit (GloTS) 2022 and the IoTWeek 2022 Exhibition Area
- Keynote Sessions and Workshops introducing three thematic tracks: 5G & IoT Networks, IoT Market and Business Opportunities and Next Generation IoT.
- Don't miss the Startup Competition and Social Events such as a special visit to the GAA Museum and VIP Stadium Tour at Croke Park and the Welcoming Reception.

DAY #2

Tuesday,
June 21

- The IoTWeek 2022 Opening Plenary Session.
- Keynotes, regular sessions, and workshops on three more thematic tracks: Data Protection, Ethics and Security, From Data Spaces to Trustworthy AI, and IoT for a Better Life.
- The last day of the Startup Competition, and the launching of the Hackathon

DAY #3

Wednesday,
June 22

- Keynotes, regular sessions, and workshops on the thematic tracks of: Standardization, Industrial IoT, Smart Cities & Communities & Cross-Atlantic Research Perspectives
- Plus, the conclusion of the Hackathon
- Our traditional IoTWeek and GloTS Conference Dinner, this time a very special and traditional Irish Night.

DAY #4

Thursday,
June 23

- Introducing the tracks on: Research Infrastructure, Smart Agriculture and the final sessions on Cross-Atlantic Research Perspectives and Smart Cities & Communities
- The IoT Week 2022 Closing Ceremony
- The co-located event, AIOTI General Assembly

A CLOSE-UP TO THE IoTWEEK 2022 ACTIVITIES

1. THEMATIC TRACKS

The IoT Week in Dublin 2022 will be featuring the future of technology and its impact on business and life throughout **13 thematic tracks**.

TRACK FULL NAME	DAY
5G & IoT Networks: towards global virtualized networks	Monday
IoT Market and Business Opportunities: Leadership and Business Innovation at the time of Transitions	Monday
Next Generation IoT: Emerging Technology	Monday
IoT for a Better Life: smart Living and eHealth	Tuesday
From Data Spaces to Trustworthy AI: Designing Data Spaces in Real Life	Tuesday
Data Protection, Ethics and Security in a connected world	Tuesday
Standardization: Enhancing Interoperability	Wednesday
Industrial IoT: Unleashing the 5.0 Revolution	Wednesday
Cross-Atlantic Research Perspectives	Wednesday & Thursday
Smart Cities & Communities: Towards User-Controlled Technology	Wednesday & Thursday
Smart Agriculture: when tech meets and transforms farming	Thursday
Research Infrastructure: IoT New Perspectives & Breakthroughs for Europe	Thursday
IoT Key Contribution for Sustainable Development Goals	Transversal, during the week

2. CO-LOCATED EVENTS

In the framework of the IoT Week, we will host a set of relevant events such as the **GloTS from 20 to 22 June** and **the AIOTI General Assembly on 23 June**. Seminars in parallel organized by RDA Europe, and our institutional partners (BDVA, Innovation World Cup, ITU, TM Forum, AIOTI; etc.) as well as other workshops and project meetings related to the EU IoT Large Scale Projects or hosted by other supporter organizations.

GloTS
Global IoT Summit

Dublin,
20-23 June, 2022

Alliance for
Internet of Things
Innovation

3. STARTUP COMPETITION AND HACKATHON

Promoting the innovation and startups participation within the week through problem-solving challenges:

- **“Startup Competition” – 20-21 June** – by Innovation World Cup.
- **“Hackathon” – 21-22 June** –

The winner of both competitions will be acknowledged during the “Irish Night” on 22 June.

4. NETWORKING OPPORTUNITIES

A set of events has been prepared to foster cooperation in non-formal environments:

- **“Exhibition Area”** – 20-23 June – Interaction, innovation, inspiration, and opportunities for all our stakeholders. All the IoT Week coffee breaks and lunches will take place at the Exhibition Area.
- **“Special visit to the GAA Museum & VIP Stadium tour at Croke Park”** – 20 June (9.00 – 11.30) – We’ll start the IoT Week by learning part of the History of Ireland through sports. The GAA Museum illustrates the rich history of the games from ancient times to the present day.
- **“Welcoming Reception at the Croke Park”** – 20 June (19.00 – 20.00) – A moment of reencounter and networking for all the IoT community members
- **“IoTWeek2022 & GIOTS2022 Irish Night” – 22 June (20.00 – 23.00)** – The best celebration possible in Taylor’s Three Rock, Ireland’s most loved pub and entertainment venue (Coach service available to transport our delegates).
- **Site Visit and Optional Tours 24 June such as.**
 - Dublin Tour with Trinity College & Book of Kells
 - Dublin City Tour with Guinness Storehouse Tour
 - Glendalough & Powerscourt Gardens Tour
